## Belmont Chronicle.

THURSDAY, AUG. 6, 1891.  
C. C. CARROLL, Editor.  
CARROLL & McWILLIAMS, Publishers.

**CAMPAIGN OFFER.**  
From now until the close of the cam-  
paign THE CHRONICLE will be sent to  
all new subscribers for 25 cents,  
invariably in advance. This is an ex-  
ceedingly low offer, one-half the regu-  
lar rate, and by it THE CHRONICLE—  
the official Republican organ of the  
county—is placed within the reach of  
every voter in the county. Postmasters  
getting up clubs will be allowed to re-  
ceive 20 per cent. as commission. Ask  
your neighbor who is not a subscriber  
to take THE CHRONICLE during the  
campaign. Subscriptions will begin on  
receipt of money. Send in your sub-  
scriptions.

**FILL THE BLANK.**  
It is generally said, and it has been  
published in some papers in this judicial  
district, that the Republicans are not  
inclined to make a nomination against  
Judge Briggs, who was unanimously  
nominated by the Democratic convention.  
Judge Briggs has made an accept-  
able judge, and we have nothing to say  
against his judicial career, but we do  
not think it good policy on the part of  
the judicial nomination. There are  
in this district many Republican lawyers  
of capacity and integrity, who would fill  
the office of Judge with ability and  
distinction. It would result in a partial  
demoralization of the party to refuse to  
fill this blank on the ticket. Let our  
Executive Committee call a meeting and  
fill the place. The prospect of election  
is not flattering, yet this is going to be  
a campaign of intense interest, and be-  
lieving as we do that the great doctrine  
of protection to American industries  
will sweep this State, we deem the  
election of our Judge not outside of  
probability. Judge Kelley, who made  
little effort, came very close to election.  
Had he and his friends made the usual  
fight, he would have been safely elected.  
The Democratic majority in this judi-  
cial district is no greater than the  
normal Republican majority in this  
county. To not place a man in nomina-  
tion for this judgeship is no more sensi-  
ble on the part of Republicans, than it  
would be for the Democrats of this  
county to nominate no ticket. A popu-  
lar and capable Republican attorney, by  
vigorous work, could roll up sufficient  
votes in this county to more than bal-  
ance the majority that Monroe county  
will give Judge Briggs. Let us fill the  
place.

On Friday the President made official  
proclamation of the reciprocity treaty  
with Spain, whereby closer trade re-  
lations with Cuba and Porto Rico are  
secured to the United States. By this  
act meats, lard, tallow, fish, grain, hay,  
vegetables, woods, iron and steel and  
many other articles of equal commer-  
cial value, all products of the United  
States, will be admitted to these islands  
free of duty, while another long list is  
admitted under a reduction of duties.  
The agreement takes effect on Septem-  
ber 1.

It will take some months to witness  
the working of these relations, but their  
beneficial effect is a foregone conclusion.  
The good that will come out of recipro-  
city will be apparent before the next  
Presidential election, and the wisdom of  
the McKinley law in the interest of home  
and foreign trade will have proven itself.  
It takes time for trade to accommo-  
date itself to new channels, but even  
Democrats do not deny that reciprocity  
is a great move. Governor Campbell,  
in his speech at Cleveland, virtually  
commended the policy, and it seems that  
the Democracy can find no grounds on  
which to fight it. With Brazil, Spain,  
San Domingo in, and others coming, an  
immense new trade will be opened up  
in the interest of the American farmer  
and manufacturer.

A WRITER in the Wheeling Register  
thus explains the Democratic position  
on wool:  
Natural causes may be the cause of the decline  
in price of this article, but where is the wool-  
grower who will listen long enough for you to ex-  
plain the reason. He knows his pocketbook is  
suffering and he will want a change.

The intelligent wool-growers of  
this county take note? The Democracy  
thinks, gentlemen, that you are blind  
fools, who will rush with a whoop for  
any change, no matter how bad. This  
is a sample of Democratic methods.  
They will play the wool-growers for  
idiots, who will not "listen long enough"  
to understand. They will shout "low  
wool," and though they themselves re-  
cognize the "natural causes," they expect  
the farmer to be blind to them. They  
will find, however, that the farmer has  
some solid gray matter in his brain, and  
plenty of time to "listen."

The Grand Army of the Republic is  
in twenty-fifth annual encampment at  
Detroit. On Tuesday 40,000 veterans  
tramped over the line of march, and  
the occasion was one of magnificence  
and grandeur. Ex-President Hayes was  
in the ranks; also several Governors,  
and half-dozen ex-Commanders-in-Chief.  
The next encampment will be held at  
Washington. The Commander has not  
yet been elected. There were no less  
than 13,000 veterans from Ohio in the  
march, and Ohio occupied fourth place,  
Illinois, Wisconsin and Pennsylvania  
preceding them.

CAMPBELL'S poor, little, lame, cross-  
roads effort, at Lakeside last week, would  
not have passed for a speech, even if  
Major McKinley's great utterance of the  
day following had not shrunk it into  
tiny vapor.

It is quite natural for a common liar  
to originate a "common rumor."

## OUR NEIGHBORING TOWNS.

**Spicy Letters from Busy Local Con-  
tributors.**  
What Your Neighbors and Our Neighbors  
are Doing, and Other Local  
Events Happily Told.

**UNIONTOWN.**  
The Christian Endeavor Societies of Bannock  
and Uniontown held a social at the home of John  
Caldwell on Tuesday evening of last week. They  
were kindly received, and enjoyed a pleasant  
evening. The ladies furnished cake and Mrs. C.  
Caldwell a liberal supply of ice cream. The  
Uniontown band contributed the music for the  
occasion.

T. C. Price, leader of the Bannock church choir,  
made the recipient of a nice hymnal by the  
members of the choir at their last meeting.  
The hymnal was bound in leather, and with  
his name and suitable inscription in gold on the  
cover. Mr. Price will soon remove to his new  
home at Jarrett, Ohio, where he has been elected  
superintendent of graded schools at that place.

The many friends of Capt. O. S. Holloway will  
regret to learn that he is very weak and ill.  
The Captain is a man of sympathetic, kindly nature,  
and is not forgetful by his old comrades and those  
with whom he has been brought in contact in the  
social and business affairs of life. A man of high  
moral attainments and genial, pleasant manners,  
he is much missed in daily social intercourse, and  
all would hope that he might be restored to his  
usual health and strength.

Although at years have passed since Alex. Mc-  
Pherson left town and state, he will be re-  
membered by at least some of our people. He  
left a "Northern Democrat" and returns a  
"Southern Republican," and an enthusiastic ad-  
vocate of Republican principles. He has acquired  
valuable property near San Antonio, Texas, and  
has prospered, and feels that the doctrine advo-  
cated by the Republican party will best advance  
the interests of the South. He is the guest  
of his sister, Mrs. Rose Lee, of Fishing. His  
friends were glad to meet him again.

Miss Anna Lee has consented to teach piano  
and organ music, and already has secured a num-  
ber of pupils. Miss Lee is an efficient teacher and  
will look to the advancement of her pupils.

Rev. Wm. F. Johnson is away on an eastern tour.  
—Miss Vickie Humphrey is able teacher, and is  
receiving salary from her serious illness.

We regret to note that Mrs. Lida George has  
again been very ill, but was able to leave her  
room on Monday last. —Harry Case of Wheeling,  
Ohio, is visiting in this locality. —Miss Mary  
Bair and sister, of St. Clairsville, paid a visit to  
the home of Capt. A. W. Lee, last week. —Mrs.  
Elizabeth Bell has offered her farm at private sale,  
and will remove to St. Clairsville in October. —J.  
Siddons, the efficient superintendent of the  
County Infirmary, made a brief business visit to our  
town on Monday. —We learn that the home of  
Mr. Robert Lee of Fort Worth, Texas, was recently  
destroyed by fire, and that Miss Mary, for many  
years a resident of this town, suffered serious loss.  
Her many friends here regret to learn of her mis-  
fortune.

**FLUSHING.**  
J. P. Harvey, of Uniontown, was in town last  
Thursday.

Hon. J. W. Nichols and W. T. Hewston, Esq.,  
were in town Thursday on business.

A trial of right of property before Judge  
Key, instigated by H. H. Harvey, for a grocery  
store formerly belonging to G. W. Selway, and  
levied upon by Stratton, Stanton & Co. and others,  
resulted in a verdict against plaintiff, the chattel  
mortgage, by virtue of which the goods were re-  
leased to have changed hands, having been declared  
void. An appeal was noted, and the case will  
very likely be taken up.

A band festival and concert, held last Sat-  
urday evening, was a success in every particular.  
The number of strangers as well as our townfolks  
were treated not only to excellent cake, ice cream  
and refreshments, but to a fine musical program.

Mr. K. Smith, of Uniontown, was the guest of  
J. W. Williams one day last week. His fine trot-  
ting horse was placed on the track near town, and  
after completely outpacing all others that had pre-  
viously been tried, the animal succeeded in break-  
ing the sack to which it was hitched.

Miss Adelaide McWilliams, of Fishing, and her  
brother Thomas and wife, of Kennon, were the  
guests of John McWilliams' family, Saturday.

Isaac Bethel, wife and son, of Holloway, visited  
relatives in town, Saturday and Sunday.

The Bible Society will give an entertainment  
in nature, consisting of dialogues, select read-  
ings, music and declamations. This So-  
ciety was organized on the 13th of last August,  
with something like one dozen charter members.  
The membership now numbers forty. The exer-  
cises of the meetings consist in the study of the  
Bible, and an additional list of questions from  
any part of the scriptures, music and decla-  
mation. The society is in a happy and healthy  
condition, and is desirous of the support of old-  
er ones.

On Sunday evening, when Wm. Walters was  
doing his stable chores, he accidentally fell at the  
feet of a vicious horse, which kicked him in the  
left leg, rendering him unconscious. His daughter  
was the first to find him, and after help was  
procured he was taken to his house, where he soon  
regained consciousness. Although his injuries  
are not thought fatal, they are very painful, and  
as he is an old man his recovery will be slow.

On Saturday night R. P. Robb was out driving  
with a friend, and returning, hit his horse near  
his home. In his absence the horse disem-  
bodied the buggy to which it was attached, and re-  
turned the fence as well, freeing itself from every-  
thing but a fence post. This it still had with it  
when found.

**COLERAIN.**  
Harvest is nearing a close and heavy returns are  
being made. The crop of grain has been seriously  
damaged the early portion of the crop is being  
harvested and the yield is good.

The miners along the valley have resumed work,  
and are turning out large quantities of coal.

The wild blackberry crop is immense, and is  
eagerly devoured.

The immense crop of grasshoppers makes turkey  
raising profitable this year.

A number of young people from Wheeling  
picked near Pleasant Grove last Sabbath.

The ladies of the Pleasant Grove church gave  
their first ice cream supper last Thursday night,  
since their organization. The ladies regret that  
the refreshments were not equal to the capacity  
of the crowd. More extensive preparations will  
be made hereafter. The net proceeds were \$21.75.  
Some "young bloods" indulged in a regular "pull  
out," and the amber fluid flowed rapidly for a time.  
Such occurrences are out of place, and will be  
avoided hereafter.

The family of Wm. McComas, of near Colerain  
City, is seriously afflicted with typhoid fever.

The "Wayide Inn" is over run with visitors,  
and a number of the boarders have to "hang up"  
with private families.

The Farmington, Pleasant Valley and Scotch  
Ridge churches are trying to perfect arrangements  
to call a pastor. They have two first-class divines  
in view.

Some of our teachers are taking in the In-  
stitute at St. Clairsville.

Big snake stories will have to take a back seat  
as soon as the political fashions commence to  
change.

**COUNTRY COUNSEL.**  
"Oh, if I had only taken this medicine  
earlier in life, what years of suffering it  
would have saved me!" was the touching  
exclamation of one who had been cured  
of rheumatism by the use of Ayer's Sarsa-  
parilla. Scores of such cases are on  
record.

## ADDITIONAL LOCAL.

The Gun Club Shoot.  
More members than usual, and more  
spectators than usual, marked the  
shoot of the Gun Club Tuesday. From  
a study of the score below it will be seen  
that the club did not sustain their record  
of last week, although the winner is a  
colt. Harry Northwood, of Martin's  
Ferry, shot with the club, making a

## RAILROAD EXCURSIONS.

Deer Park and Oakland.  
To those contemplating a trip to the  
mountains in search of health or pleasure,  
Deer Park, on the dome of the Allegheny  
Mountains, 3,000 feet above the sea level,  
offers such varied attractions as a de-  
lightful atmosphere during both day and  
night, pure water, smooth, winding roads,  
through the mountains and valleys, and  
the most picturesque scenery in the Al-

**By All Odds**  
The most generally used medicine is Ayer's  
Pills. As a remedy for various diseases  
of the stomach, liver, and bowels, these  
Pills have no equal. Their sugar-coated  
surface not only makes them pleasant  
to take, but preserves their medi-  
cal integrity in all climates and for any  
reasonable length of time. The best family  
remedy for biliousness, indigestion, and  
constipation, for the use of travelers, sailors,  
campers, and pioneers. In some of the  
most critical cases, when all other remedies  
have failed.

**Ayer's Pills**

and was compelled to write everything I wanted  
to say. I was then having some 25 or 30  
stools per day. The doctors ordered a medi-  
cine that I was satisfied would be of no  
benefit to me. I did not take it, but per-  
sisted in taking Ayer's Pills, and in a few  
days I was able to eat and sleep. I then  
took six of these pills, and by midnight  
I began to feel better. In the morning  
the doctors came again, and after deciding  
that my symptoms were more favorable, gave  
me a prescription which I did not speak of,<
